

Walking Together in the warm land of the Cowichan Valley

# Mill Bay Nature School

## Q'shintul newsletter

We acknowledge that for thousands of years the Malahat, Lake Cowichan, Quw'utsun, Halalt, Penelakut, Stz'uminus, & Lyackson Peoples have walked gently on the unceded territories where we now live, work, learn, and play. We seek a new relationship with the first peoples here, one based in honour and respect, and we thank them for their hospitality.

## Welcome Back Friends!

(Missing - Anne (It was her daughter's birthday!))

The teaching staff just returned from retreat at Port Renfrew where we learned so much about each other, imagined possibilities for Mill Bay Nature School, and began to design structures and rhythms for our year as we walk together - **Q'shintul**. (We also, of course, drank in the natural beauty of the ocean and ate some delicious food!) This is a passionate, diverse, creative, thoughtful and caring group of teachers. I am very excited to see how the opportunities for learning and growth emerge this year. I know your children will be mindfully tended and well cared for. **You are invited to a parent gathering on Thursday, September 5 from 6:30 pm to 8:30 pm in our Town Hall (gym) where we will introduce ourselves, our philosophy and this year's structures.** (Child minding will not be available, but children are welcome to remain with their parents at the gathering).

Our school campus continues to be under construction and renovations - #patience #transformation. If you happen to drive by, you can see new drainage being installed in the front area where 'Lake Mill Bay' used to emerge on rainy days. At this time it looks like the old schoolhouse and two classrooms in the 2 story building will be ready for children on our first day - #hopeful. There is much moving to be done in the next few days! So, if you happen to drop by the school, know that it looks like **moving day** inside - #mysteryboxes. We are hard at work preparing for the arrival of our amazing children on Tuesday!

**Please note:** For the first day of school, the children will be gathered outside as one. The second day will find the children gathered into 2 "Pods" with distinct learning spaces. Three Clans will form within each Pod by the end of the second week as we become more familiar with each other.

**Until next time, Q'shintul (Walking Together), Kim**
