

Walking Together in the warm land of the Cowichan Valley

Mill Bay Nature School

Q'shintl

Quick Note

DEC 2020

We acknowledge that for thousands of years the Malahat, Lake Cowichan, Quw'utsun, Halalt, Penelakut, Stzuminus, & Lyackson Peoples have walked gently on the unceded territories where we now live, work, learn, and play. We seek a new relationship with the first peoples here, one based in honour and respect, and we thank them for their hospitality.

OPPORTUNITY FOR DEVELOPMENT & GROWTH

We have welcomed a new counsellor to our team at Mill Bay Nature School. His name is Liam Law; he is a trained teacher and also has experience working as a counsellor in a variety of settings outside of education. Liam has a warm, caring, playful personality which attracts children - opening them up to relationship and support. I have been astounded by how quickly Liam has made connections with children - *and he only works every other thursday!*

I really believe that time with Liam would be beneficial to your child this year - *particularly as they continue to develop core competencies in the emotional and social realms.* Although his time is limited at MBNS, I would hope that this referral will help Liam set his priorities for the year.

If you consent to this support, please sign the attached form and return to Tanya in the MBNS Nest (office).

Warmly,
Kim
