

Walking Together in the warm land of the Cowichan Valley

# Mill Bay Nature School

# Q'shintul

We acknowledge that for thousands of years the Malahat, Lake Cowichan, Quw'utsun, Halalt, Penelakut, Stz'uminus, & Lyackson Peoples have walked gently on the unceded territories where we now live, work, learn, and play. We seek a new relationship with the first peoples here, one based in honour and respect, and we thank them for their hospitality.

## Quick Note

OCTOBER 2020

## ★ "SCHOOL" PHOTOGRAPHS ★

This year we have been given the privilege of walking together with Anders Stewart - *a talented local photographer* - to document our children in a manner that is fitting to our culture.

Anders has documented our Fire Pit Opening, a variety of Field Studies, as well as our Love Train. *His images of people are stunning.*

He will spend Monday, October 19 taking head shots of *each* child & staff (*so please try to have your child at school for the photos that day*) and Tuesday, October 20 taking action shots of all the children & staff playfully relating, moving & exploring in our outdoor campus.

Children are invited & encouraged to wear their favourite hats, hairstyles, clothing & costumes those days. *We wish to capture each child's beautiful face as well as their energy, vitality & spirit.*

You will be given the option to purchase downloads or packages once Anders has completed the editing process. (Retakes will be booked at a later date.)
