

Walking Together in the warm land of the Cowichan Valley

Mill Bay Nature School

We acknowledge that for thousands of years the Malahat, Lake Cowichan, Quw'utsun, Halalt, Penelakut, Stz'uminus, & Lyackson Peoples have walked gently on the unceded territories where we now live, work, learn, and play. We seek a new relationship with the first peoples here, one based in honour and respect, and we thank them for their hospitality.

Quick Note

October 2019

★ On Thursday, we will be participating in the Great BC Shakeout★

This will be a learning opportunity for our community to practice a safe response to the shaking caused by an earthquake.

Here is more information for you to share with your family:

Comfort Kits

As part of Mill Bay Nature School's emergency preparedness, we request that each child has a 'comfort kit'. (Families from last year should most probably have one already at school. You can check with Tanya if you're uncertain.) Follow this link to learn more:
