Quest

January 2020

We acknowledge that for thousands of years the Malahat, Lake Cowichan, Quw'utsun, Halalt, Penelakut, Stz'uminus, & Lyackson Peoples have walked gently on the unceded territories where we now live, work, learn, and play. We seek a new relationship with the first peoples here, one based in honour and respect, and we thank them for their hospitality.

On the search for Reading Mentors

Mill Bay Nature School is looking for youth, adults, & elders who would like to nurture our young, developing readers in becoming confident, thoughtful ones.

It's simple, really, you need a positive attitude and a willingness to spend time with a child for 30 minutes a week - any day of the week - for a 6 week cycle. *We will support you with games, learning activities, and of course books!* You are welcome to mentor as many children as you'd like in a day.

Our reading mentorships will begin in February - the week of February 3.

We are looking forward to having you become a co-creator of Mill Bay Nature School as we *walk together* - Q'shintul.
