Invitation

We acknowledge that for thousands of years the Malahat, Lake Cowichan, Quw'utsun, Halalt, Penelakut, Stz'uminus, & Lyackson Peoples have walked gently on the unceded territories where we now live, work, learn, and play. We seek a new relationship with the first peoples here, one based in honour and respect, and we thank them for their hospitality.

This thURSDAY !

Parenting & grand parenting circle

Mill Bay Nature School acknowledges the deep relationships that have existed long before our children have crossed the threshold of MBNS, and the importance of braiding home and school environments to understand and guide each child's unique learning journey. This takes *much* work and effort and love and tears and rejoicing and *more* work and effort, etc. In this spirit, then, come and find a place of nourishment and care as you take up the mighty work of (grand) parenting. Each circle will be led by a MBNS parent; supported by Kim & Lawrence.
