

Walking Together in the warm land of the Cowichan Valley

Mill Bay Nature School

We acknowledge that for thousands of years the Malahat, Lake Cowichan, Quw'utsun, Halalt, Penelakut, Stz'uminus, & Lyackson Peoples have walked gently on the unceded territories where we now live, work, learn, and play. We seek a new relationship with the first peoples here, one based in honour and respect, and we thank them for their hospitality.

★ "SCHOOL" PHOTOGRAPHS ★

We will be sending home a password to access your child(ren)'s photographs, as well as a "Free Play" album of photographs to choose from.

(A hardcover book of photographs will be available at a later date for purchasing.)

Anders has done a beautiful job of capturing the spirit of our children. I teared up the first time I looked at them. I am so grateful for his willingness to try something new on our behalf.

(If you have any questions or concerns about the photographs, please direct them to Kim who will liase with Anders.)
