

Walking Together in the warm land of the Cowichan Valley

Mill Bay Nature School

We acknowledge that for thousands of years the Malahat, Lake Cowichan, Quw'utsun, Halalt, Penelakut, Stzuminus, & Lyackson Peoples have walked gently on the unceded territories where we now live, work, learn, and play. We seek a new relationship with the first peoples here, one based in honour and respect, and we thank them for their hospitality.

Announcement!

September 2020

We are very excited to announce that **Amanda Reimer** has joined the MBNS community as the clan leader for the **OCCIO+S** & 'offerer' of playful inquiries.

Amanda is a passionate outdoor educator and lover of all things natural. She is a good listener, full of curiosity and love, and eager to get to know your amazing children.

P.S. Amanda was teaching & settled at Alex Aitken Elementary in Duncan; because of declining enrollment there, she was transferred to us on Thursday. Please give her a few weeks to move her things, get settled, and learn our rhythms. I know she is looking forward to meeting everyone. Let's give her a warm digital MBNS welcome - areimer@sd79.bc.ca
