

Walking Together in the warm land of the Cowichan Valley

Mill Bay Nature School

We acknowledge that for thousands of years the Malahat, Lake Cowichan, Quw'utsun, Halalt, Penelakut, Stz'uminus, & Lyackson Peoples have walked gently on the unceded territories where we now live, work, learn, and play. We seek a new relationship with the first peoples here, one based in honour and respect, and we thank them for their hospitality.

There is a teaching in every
part of the natural world.

It is our task to find it,
learn it, and apply it.
