A message from Ms. Alison

Well another beautiful week has come and gone. The classes are settling in and we are starting to see some wonderful learning moments happening each day. I am connecting and getting to know the students and family's and I'm looking forward to getting to know more of you as the weeks continue. Wishing you all a wonderful weekend.

Alison

Terry Fox Run

We held our Terry Fox run today! Thank you to the leadership students for mapping out the track, leading the warm up and leading the run around the field. There were smiles, cheers and lots of great energy during this event. Thank you to parents and family community that came out to support today.

Wellness Check

Well it's here, the back to school germ season is upon us. We encourage parents to please do a health and wellness check with your child(ren) each morning. If your child has a fever, vomiting or has cloudy/or brightly coloured mucus coming out of their noses, we ask that you keep them home. This not only helps prevent other students from getting sick but also staff and families.

Gym update

We just heard from the contractor and the gym floor refinishing work will start next week and will take roughly about 2-3 weeks to complete. Thank you to our older students, who spent the last couple of days creating an inventory of all our P.E. equipment, pumping up bouncy ball, and organizing everything into the equipment room. We are all looking forward to using this space soon.
