Principal's Message

This week we enjoyed spending time in the new gym. We danced, played cooperative games and practiced our scooter board techniques. In spirit of this weekend, I want to extend a thank you to all of our families for helping us make each day a successful, positive experience for the students. I am grateful to be a part of this wonderful community. Wishing you all a healthy and relaxing Thanksgiving long weekend.

Alison

Bus Lane

I'm sending this reminder to all parents/caregivers that pick up and drop off at school each day. Please park your car in the designated parking spots or along the fence line in front of the school NOT in the bus lane. We have 5 different buses that start dropping off at 8:00-8:35 am as well as 1:45-2:30 pm. Even if you are dropping off "quickly", we ask that you park your car in the parking stalls.

Inside Shoes/extra clothing

We are kindly asking that all our students please bring an extra pair of soft soled shoes they can keep at school to use inside the classrooms as well as the gym space. Now that the weather is changing and the ground is wet more often, we would like to keep our floors as clean as possible. We also need them for in the gym, in order to keep the floor clean as well as to prevent injuries happening from improper footwear. We are also asking that you send extra clothing to change into on wet days. 2-3 pairs of socks are always helpful, along with a pair of pants and a shirt.
