Art Cards

If you missed the first round of ordering art cards, there is a short window opening up to get your orders in. Please see the information below:

Art Cards - 2nd round of ordering is open till November 30th and orders will ship to the school - go to: shop.createdbykids.ca with code QMLB2024

If you have any questions please contact Ann-Marie in the office.

Wet weather

The rainy weather is here and with that comes large puddles and marshy areas in our field. As you probably are aware after this week, children LOVE playing and exploring in puddles. We have gone around and talked about the puddles and what to wear if kids want to play in them. That being said water has a way of seeping through even the strongest of water gear. Please ensure your child has a couple of pairs of extra pants and socks.

We are also looking to start collecting extra rain coats, boots, and rain pants at the school. We have a few that we have lent out but could use sizes from ages 4-10. If you have any old rain or winter gear that don't fit your children anymore and would like to donate them, please bring them into the office and we will store them for kids that need it.
