Winter Solstice celebration

Please join us for our Winter Solstice celebration on **December 19th from 4:30-6:00**. This event is open for all family members to join us here at the school. We will be making a nature crafts, enjoying hot chocolate and partaking in a good old fashioned sing along out at our amazing outdoor fire pit. We will end the night with the students leading a lantern walk back towards the school to welcome the return of the longer daylight days that will soon start again. This celebration is a time to come together as a community, enjoy what winter has to offer and celebrate with music. If anyone would like to lead some songs with us and bring their musical instruments, please let Alison know and I will write you into the set list of songs. The students have been practicing a couple of wintery songs to lead us off. If it rains we will move things into the gym.

Please keep your eyes open for a program outlining the timeline of events for the evening later this week.
