Solstice Celebration

Mark your calendars...Our Winter Solstice celebration is taking place on December 18 from 4:30-6:00. This event is all about coming together as a community to gather and enjoy the coming of the winter season. The Winter Solstice is a time that the dark days are coming to an end and the daylight starts to enter back. A season of comfort, reflection and peacefulness. Our Solstice celebration will embrace these sentiments. We will start our celebration with a bake sale put on by PAC in our undercover area, there will hot chocolate and music playing as we welcome all of our families. We will then head into the gym, where our inside space will be artistically transformed into a cozy wooded recreation of a old fashioned bonfire sing-a-long space. We ask families to bring blankets to sit on, if you require a chair please bring one and we will have a space on the outside of our circle for chairs to sit. We hope most will bring blankets to share and sit around the "campfire" with. Students will start our sing-a-long with a couple of songs they will be practicing and then we will introduce a few more wintery familiar songs(along with lyrics) for all to partake in. We will bring the energy down with a campfire story and then say goodbye with a lantern walk through our field and back to the undercover area, where we will say goodbye for the night.

This event is for families and staff to come together as a community. Parents, it's important to understand that you are responsible for your children this night and that the staff will be there to participate and be supporting families with setting up seating, passing out lanterns and enjoying the evening as part of the community. Come in your most festive Pj's or comfortable winter attire. This is not a formal event but a fun family event for all to enjoy.

PAC is looking for families that are interested in baking some goodies for our Winter Solstice bake sale. If you are interested, please email eagleclan.mbns@gmail.com
