Jump into Literacy Read-a-Thon

We are celebrating the joy of literacy for the month of February with our "Jump Into Literacy Read-A-Thon". We have set a school goal of practicing literacy for 10,000 accumulated hours from February 2 - March 2. Teachers will be sending home a tracking sheet and donation/pledge sheet for students to fill out how many hours they have engaged in literacy at home. This can look like:

- Reading to themselves
- Reading with a parent or sibling
- Listening to an audio book
- Playing a family game that include reading in such as Trivial Pursuit or Monopoly (also a great numeracy game)

Each classroom will also have a recording sheet to write down minutes in the classroom in which they focus on literacy blocks.

Our goal is to raise 700,00 towards our school library.

Ways to donate towards towards our read-a-thon:

- Cash donations can be sent to the school and will be collected at the office
- Cash Online donation
- send e-transfer to eagleclan.mbns@gmail.com please put "read-a-thon donation" in the notes section of the transfer

Message from PAC about our Read-a-Thon

Dates: February 1 – March 1

Dear Families and Community Members,

We are excited to announce our **School Read-A-Thon**, running from **February 1 to March 1!** This month-long literacy celebration encourages students to build a love of reading while working together toward a shared goal of **10,000 total reading minutes** as a school community.

Throughout the month, students will track their reading both at school and at home. Classroom literacy time, literacy support time, and nightly home reading will all contribute to our school-wide total.

We are inviting families, friends, and community members to pledge a donation in support of our readers. Our fundraising goal is \$700, with all funds raised going toward purchasing new books for our school library. Any funds raised beyond our goal will be saved to support future school community events.

At the end of the Read-A-Thon, we will:

- Tally our total reading minutes
- Celebrate achieving (or exceeding!) our 10,000-minute goal
- Present Ms. Emily with a cheque for new library books
- Enjoy a **school-wide celebration day** (details to be announced).
