Construction presentation and Science Fair demonstrations.

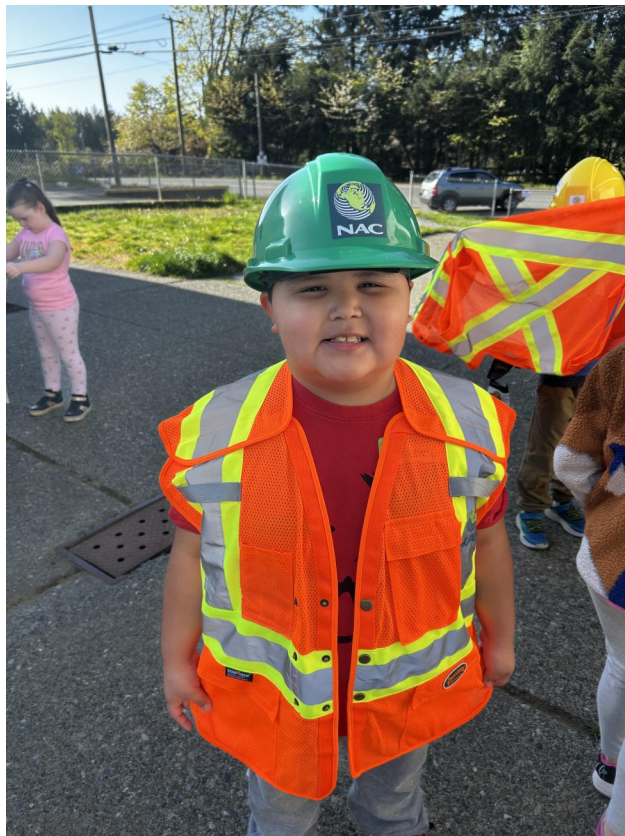

We had Malahat Construction join us today to demonstrate different aspects of the trades. It was engaging and educational. Both the staff and students had a great time interacting and learning about the construction industry. We also want to thank Anne Leslie and Pam Taylor for bringing their grade 2/3 classes over this afternoon to demonstrate everything they have learned about water systems and conservation.

Accessibility survey

In September 2023, organizations across the province began the work of developing Accessibility Plans. As part of the Accessible British Columbia Regulation, in the Cowichan Valley School District an Accessibility Committee created an Accessibility Plan for 2023-2026. As part of our ongoing commitment to improving opportunities for people with disabilities (both visible and invisible) and to involve them in identifying, removing, and preventing barriers to full participation, this committee is actively working to develop our district's Accessibility Plan for 2027-2030.

We invite you to share your feedback with the working group to assist in establishing goals for our plan. Thank you for taking the time to complete this brief survey.

Suessical Theatre performance: Walking Field Trip

On Tuesday, April 28th and Wednesday, April 29th, Our students will be walking to George Bonner Elementary to watch their productions of Suessical. Classes will leave the school at 12:15 pm and be back at the school by 2:00pm.

Ms. Leva and Ms. Ludwig's classes will attend on Tuesday afternoon. Ms. Thomas, Ms. Prier and Ms. Mitchell's classes will attend on Wednesday.

Grade 1 & 2 School Supplies

Our school supply list for the grade 1 & 2's is now ready to go. Parents can order school supplies until June 30th at the link below or purchase the following items on their own for the upcoming school year.

<https://sd79.schoolcashonline.com/>
